

3G Catering receives Award of Excellence for Caterer of the Year 2025

In any industry there are always organisations that stand out from their peers and set the standards that others in their field have to aspire to achieve. Based in Perthshire, 3G Catering Services UK is an organisation that certainly meets this criteria leading the way when it comes to providing quality catering service for both indoor and outdoor events across the UK. They have made quite a name for themselves over the years establishing a well deserved reputation as one of the rising stars of the industry and if the last few years are any barometer of what the future holds then there are many successful chapters yet to be written in the 3G Catering Services story.

The reputation they have is fully justified and is now beginning to earn them more tangible forms of recognition. In the prestigious Oceanic Awards they were given the impressive accolade of being named Caterer of the Year. The award was well deserved and has further cemented their reputation as one of the absolute leaders in their field. Following on from that success we are delighted to announce that 3G Catering Services UK are the latest recipients of one of our Awards of Excellence being named our Caterer of the Year for 2025.

With our awards we think it's important to recognise organisations that are bringing something new and innovative to their marketplace. They don't necessarily have to be the biggest but they have to be someone that is trying to offer something different to what is already out there and above all they must offer a great product or service. We feel that 3G Catering ticks all the boxes and are worthy winners of our award. The awards are clearly no accident and will come as no surprise to anybody that has used them for their event or function. In this edition we will try and give you an insight into the work that they do and the success that they've enjoyed.

There are many factors but first and foremost they are good at what they do with the entire team sharing the same steadfast determination to maintain the high standards that have become such a trademark. So who exactly are 3G Catering and what is it that they do? Founded by experienced professional chef George Urquhart they provide catering with a touch of class for events in Perthshire, Tayside, Angus and Fife.
